

APPLETREE CEU
CONTINUING EDUCATION COURSES

Wound Care Recertification

Upon successful completion of this course, attendees will learn how to evaluate and treat clients with a wound as well as strategies to prevent wounds. The course will start by providing a comprehensive overview of the anatomy and physiology as it relates to the skin. This will provide a foundation for understanding why and how to treat clients with skin breakdown and wounds. Attendees will learn how to address common and challenging wounds, dressings and evidenced based treatment interventions to help wounds progress and heal. This course is designed to prepare clinicians for the wound care certification.

Objectives

- Assess and diagnose various wound etiologies and statuses using evidence-based tools and techniques.
- Interpret relevant lab results and assess nutritional, psychosocial, and functional factors impacting wound healing.
- Select and apply appropriate wound treatments, dressings, and adjunctive therapies based on wound characteristics and patient needs.
- Evaluate treatment effectiveness, reassess patient tolerance, and adjust care plans as needed.
- Educate patients, families, and interprofessional teams on wound management and prevention strategies.
- Apply evidence-based protocols, legal considerations, and administrative processes to wound care practice.
- Identify at-risk populations and implement preventative measures to maintain skin integrity.

Exam Eligibility

Before signing up for this course, please visit nawccb.org to make sure you meet the criteria to sit for the WCC board certification exam.

Karen Brady, MSN, APRN-CNP

Nursing Program Coordinator

Karen graduated from Duquesne University with a Bachelor of Nursing Degree. She spent the early part of her career working in a variety of clinical settings including the ICU, PACU and ambulator clinics. Karen began to work in the specialty of Colon and Rectal Surgery almost 25 years ago. Dedication to this patient population led her back to school to continue her education.

After graduating from Ursuline College with her Masters of Science in Nursing, Karen began work as a Nurse Practitioner for a busy Colon and Rectal Surgery service
